Good afternoon, Mike -

The attached FY21 105 work plan has been updated with information from our Section 105 Grant Midyear teleconference on April 7th. The meeting included a discussion of the 105 grant work plan and progress toward meeting commitments outlined and agreed to in the work plan.

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP) Please review and let me know as soon as possible, COB Friday the 14th, what a feasible date for these would be. Thank you.

For these commitments, if they are unable to be met within FY21, we can add them to the FY22 work plan if they are not expected to come in by 9/30/21 and ask for a status report on their progress as well by that date.

Please review and let me know if any changes are necessary. If everything looks ok, please let us know and we will use this version of the work plan going forward until the end of the fiscal year.
